### **School Banking**

The School Banking program provides a fun, interactive and engaging way for young Australians to learn about money and develop good saving habits. Run nationally since 1931 through participating primary schools, School Banking encourages children to regularly deposit money into their Youthsaver account and earn silver Dollarmites tokens, which can then be redeemed for an exciting reward through our School Banking Rewards Program. The Youthsaver account is a savings account that has no monthly account fees and offers a competitive bonus interest rate when you make at least one deposit and no withdrawals in a calendar month on balances up to \$50,000.
