Last day of term

Thought of week

“Resilience is the ability to bungee jump through the pitfalls of life”

Andrew Fuller

Metford Public School

13 Melaleuca Drive, Metford 2323

Ph: 4933 2655

Parking

Please ensure that you are following the parking rules in school zone times between 8.30am and 9.30am and again between 2.30pm and 4.00pm. In ‘kiss and drop’ zones, the driver must remain in their vehicle at all times (and must be in the kiss and drop zone for NO longer than two minutes). There are expensive fines for not parking correctly, U-turns and 3 point turns. It is also illegal to park on the grass area at the bottom gate in Schanck Drive. Parking inspectors and police do random patrols of parking around school and will issue fines on the spot. Please support the safety of our students and families by following the rules.

GRIP Leadership Day

Newsletter Term 2 Week 5

Principals Lunch Week 5 This week recipients are- Zane, Max, Matthew, Paige, Lillian, Cooper, Jarod, Ally, Shelby and Isabella.

Foyer Display

Over the past few weeks K1P have been learning all about Dinosaurs! We have read lots of facts about these amazing creatures that roamed the earth millions and millions of years ago. Did you know the Tyrannosaurs Rex was the king of the dinosaurs who had up to 60 teeth which were sharp enough to saw through meat and crack bones? We have been amazed at the information we have discovered so far. We discussed what fossils are and even made our own salt dough fossils. We are all looking forward to the Dinosaur incursion coming to school this week. Learning about dinosaurs is ROARSOME!!

Positive Behaviour For Learning-

The following students are recognised this week for achieving a PBL award.

Bright green wristband- Izacc, Maxwell,

Nate, Kaelan.

Dark green wristband- Chelsea, Caleb & Matthew.

Bronze wings- Kirana & Blake.

Thank you to Landcare and the ARTC (Australian Rail Track Corporation) for coming to Metford PS on Tuesday and presenting a cheque to the value of \$1000. With this money we can now complete our Yarning Circle. Our plan is to create a local native bush food and sensory garden. This will be a place which students, staff and our community can utilise as a meeting place or can be used as an alternative outdoor learning area. The purpose of this project is to ensure all students and community members can share a sense of belonging within our school. Can't wait to get started.

If you would like be involved in this project please do not hesitate to contact Ms Wong.
